

## Staff Psychologist (75% time) – Austin Child Guidance Center

As part of the multidisciplinary treatment team, the Staff Psychologist provides comprehensive psychological assessments for children and adolescents referred by staff therapists or community referral sources (e.g., parents, physicians) in order to answer clinical and diagnostic questions and inform treatment decisions. Duties of the staff psychologist also include psychological consultation with staff therapists and supervision of trainees. Other duties may include individual/family therapy. This position is 30 hours/week.

The Austin Child Guidance Center is an outpatient treatment center with a 60-year history of providing high-quality mental health services to Austin's children, adolescents, and families. From its location in Central Austin, ACGC provides individual, family, and group therapy; psychological assessments; psychiatric services; and parent education. Clients present with a range of challenges including parent-child relational problems, ADHD, mood disorders, anxiety, and developmental disorders.

### **Requirements**

Graduation from an APA-accredited doctoral program (Ph.D. or Psy.D) and licensure to practice in Texas

Experience providing comprehensive psychological assessments for children and adolescents

Knowledge of current best practices in psychological assessment with child/adolescent population

Demonstrated proficiency in differential diagnosis in child/adolescent population

Strong written communication skills

Ability to work well as part of a multidisciplinary treatment team

### **Preferred Qualifications**

Bilingual (English/Spanish)

Proficiency in assessment of autism-spectrum disorders

### **Salary and Benefits**

Salary is commensurate with experience. Range: \$37K - \$43K (for 75% time position)

This position is benefits eligible.
