

BUILD A CORPORATE PARTNERSHIP WITH ACGC

Investing in a brighter future for the next generation.

At Austin Child Guidance Center (ACGC), we believe every youth deserves access to mental health services that support their emotional well-being. As a leading Central Texas non-profit mental health organization, we provide accessible, high-quality mental health services to children and young adults up to age 26 and their families to empower them to thrive in childhood and beyond. However, we cannot achieve our mission alone. We rely on the support of compassionate corporate partners like yours to ensure that our programs continue to significantly and positively impact our community.
