

## Behavioral Parent Training: Managing Difficult and Noncompliant Behaviors

This 8-week group is for English speaking caregivers of children 5-12 years old. This group will help caregivers of children with difficult to manage behaviors including noncompliance, ADHD- attention and hyperactivity issues, and disruptive behaviors. Parents will learn how to understand their children's misbehavior, increase compliance, and decrease disruptive behavior.

**Who:** Caregivers of children 5-12 years old

**When:** 6:15 – 7:45 PM on Mondays  
February 10<sup>th</sup> – April 6<sup>th</sup> (skips Spring Break)

**Where:** Austin Child Guidance Center- Conference Room  
810 West 45<sup>th</sup> Street  
Austin, Texas 78751

**Cost:** Sliding fee, based on income and family size.  
\*Free childcare for children over 2 years old while space is available.
