

Use the **Service Fee Percentage Calculator** to figure out how your service fees may be adjusted – based on your gross household income and the number of people living in your household. Regular living expenses are included. Percentages show the percent of fee, per service that you may be responsible for paying.

If you have expenses above and beyond regular living expenses and need an extra fee discount, please call our Revenue Cycle Manager at 512-451-2242 for more information and to discuss your situation.

**SERVICE FEE PERCENTAGE CALCULATOR DIRECTIONS:**

- 1) Find your monthly or annual income range under **YOUR GROSS FAMILY INCOME**
- 2) Find your fee percentage under **# OF PEOPLE LIVING IN YOUR HOUSEHOLD**
- 3) Using your fee percentage, go to the **SLIDING FEE SCALE - 09/01/2022 - 01/31/2023** chart (below) and find your fee based on the service you want to receive or are receiving.
